We have a lot of work to be done at our complex getting ready for the first round of 2011 NSW Junior and Senior MX State Titles. The more members that come to working bees the quicker we can get the jobs done Also when you come and work for the full day you get to ride the next day at half price so in the long run it is cheaper for you to come and help out then to sit back and not do anything at all.

Don't forget working bee 29th January, 2011 and our first practice day on 30th January, 2011 from 7.15am

Take care, stay safe and I will see you at Clarence when you come to ride.

Hello Everyone,

A special welcome to our new members who joined our club this year. Also welcome back to all our old club members too. Just a short note you notice that I have a new address as I have moved , please forward all mail to the new address.

We are off to a flying start this year with lots of young and old riders coming to our complex to take part in our 3 practice days and 2 rounds of Club championships which have been held so far this year. There have been some great racing happening in a number of different classes and a few get offs as well. To those members who may have hurt themselves at these events we hope you are on the mend and we will see you back at Clarence when you are fit and well ready to race again.

Firstly I would on behalf of Scott myself and committee members like to thank those members that have come to our working bees already this year and worked hard helping get our complex ready for the state titles and track licensing . The more members that come to our working bees the more jobs we can get done. Our next working bee will be on 9th April, 2011 starting at 10.00am and we need a large group of workers so if you can spare a few hours to help with some of the jobs to be done , we would love to see you there, please bring small axes , shovels, gloves, cutters .

Call of Arms Charity Ride day with Motorcycling NSW will be on 10th April, 2011

If you would like to attend you can obtain an entry form from MNSW website or ring MNSW 02963359177 to book in. or give me a call and I will do my best to help you.

All money goes to a good cause.

ROUND ONE NSW STATE TITLES ON 23RD 24TH 25TH

APRIL, 2011 will be held at our complex and over the Easter and Anzac Weekend. . We have over the past few months been working on getting the complex ready and we still have a fair bit to do. So if you could give us some of your time it would be great the more helpers the quicker we finish the job list.

Also over the weekend of the event if anyone would like to help out with any of the jobs we have to do please give me a call and I can work it out with you. We need

people to work in the canteen, parking attendants, track maintenance workers, people to keep the toilet clean and tidy. The club will do well from this event so come on give us a hand or 2 please.

High Country Interclub Series 2011

This year our series has grown with 2 more clubs coming on board to be part of this series, which is great for all clubs involved, Round 1 will be at Clarence Round 2 at Mudgee Round 3 At Bathurst and Round 4 at Orange. You as riders have 4 different tracks to ride on and not one of them are the same. The entry form and Information sheets will be out shortly so keep a watch out for them on our website.

The club website is just being updated thanks Matt and Amy Whitworth , Brenton Ray so give them a chance and you will see the difference in the site.

One of the most painful problem we have on race days is that some of you as riders and parents of riders will not do your turn of Flag Marshalling so as from last race day on the senior track if you don't have someone with you to flag you will not be signed on and you will have to go home without getting to rider. But I must thank the riders and Parents that do supply someone to flag marshal, we are lucky to have to in our club.

Don't forget to give me a ring if you can help out over the state titles event or Charity ride Day.

Stay Safe

Take care and most of all have fun

See you at Clarence

Maree Kirby
