HELLO EVERYONE,

Welcome to our new members who have join our club over the past few months.

I hope you will enjoy coming and racing at Clarence.

This year has gone so fast, I know a number of our club members have been very busy over the past few months getting for the Aussie Titles which have just finished last week at Lake Macquarie Track. Well done to all of you who rode under the Lower Mountains Club Banner, I hope you all enjoyed the experience.

HIGH COUNTRY SERIES 2010

We had 3 successful rounds of High Country Series this year and over these rounds we saw some great racing in a number of classes. Well done to the club members who pick up trophies in this series Hopefully next year we may have one or two extra clubs coming on board for this series so that will make it bigger and even better.

Thank you to the Canobolas Club for their help and support with this series.

CLUB CHAMPIONSHIPS 2010

This Sunday 10.10.10 will see round 5 of our Club Championships Sign on will be from 7.30am and finish at 8.20am so please don't be late or you maybe told sorry you can't ride. Also over the past few race days there have been a number of riders coming to days without someone with them to do a flag marshal session. We real do not ask too much of as members but the one thing that we do is that you bring someone with you to a flag session. We don't want to have to say to you sorry you can't ride because of this. The Club Championships points are up on the website and will be updated after this coming round.

DON'T FORGET YOU MUST DO YOUR TURN AT THE WORKING BEE'S SO COME ALONG THIS SATURDAY FROM 10.00AM AND HELP GET THE COMPLEX READY FOR SUNDAY .

Thanks to the riders and parent who have already done their turn. The more people who come makes the work load smaller and quicker to get through.

MAJOR NEWS FOR 2011

Earlier this year I put in a submission to host a round of the NSW STATE MOTOCROSS TITLES for Junior and Senior riders. The NSW Board of Directors has given us the First round which will be held on Saturday 23rd Sunday 24th and Monday 25th April, 2011. Which we are going to need all our members to put their hand up over the next 4months to come and help get the complex fixed up ready to host this event. I know this is going to be hard work for the club but if we all get in and help it will make it run very smooth. So if you can come and give us a few hours please give me a call on 0263362202 or 0419116085 I can let you know when to working bees will be on and what to bring.

ENDURO NEWS

Well done to Garry Dukes & Jarrod Brewley who came first in their classes in the Australian Off Road Series this year and to any other members who rode this series well done to you too.

FINALLY ON A SAD NOTE OUR SPORT RECENTLY LOST ONE OF ITS HARD WORKERS.

Mr Ian Packer passed away on 26.9.10 at the age 53.

Ian was a hard worker for our sport and did a lot of behind the scenes work for a lot of club's and promoters. He will be sadly missed but he will also be remembered for a large number of achievements he did and also by a lot of people in our sport. Our thoughts and prayers are with Ian's wife Dawn and their family
