If you are not sure about what colour backgrounds and numbers you should have on your bike open to page 94 12.6.3 Number plate Colours in your 2010 MOM'S. Which you as a rider and Mum & Dad as Parents should read there are rules changes and you should know them. So take some time out to read the sections that relate to our sport.

Also on the copy of our calendar that was sent out to you before Christmas I put 2 dates wrong on it the correct dates are as

Sunday 28th March ,2010 working bee 27th March.2010

Sunday 18th April,2010 working bee 17th April, 2010

Sorry about this

SOME BIG NEWS IN OUR CLUB IS THAT WE ARE HOLDING OUR FIRST TRAIL BIKE RALLY.

THE BLUE MOUNTAINS TRAIL BIKE RALLY will be held on Sunday 30th May 2010
The base for this will be at the Rydal Showground We will be looking for members to help with this event. The event will be open to riders over the age of 16 yrs and 9 months who have a road bike learner's licence or a full road bike licence. If you are over this age and not have a road bike licence you may be able to obtain a rec licence which will have

a cost involved. When the paperwork is approved I will be sending it out so watch out for it. If you would like to help with this event come and see me when you are at Clarence or give me a ring on the above phone numbers.

We have also purchased our own machine to do all our track work at our complex.. By doing this we can work on the tracks more often and maintain them better. I would like to thank Allan & Wayne Dukes from Dukes Earthmoving and Bob Rowlandson for all their hours and time they have put in at our complex working with the machinery over the years. These 3 men have been looking all over the place over the past year for a machine that we could buy and they found one for us. Words can not say how grateful we are to have you all in our club and I look forward to working with you all in future.

After this purchase our bank balance is a bit low but we will work on making it healthy again. Bob has taken the machine to the complex and already has done work on the tracks getting them ready for our first event. His words to me after working with the machine were” this machine is magic”

HIGH COUNTRY NEWS!!!!!!!!!!

Round One will be held at Clarence Round Two will be at Newhaven Park Track Orange Round Three will be at Clarence. Canobolas Orange Club have been very busy doing a lot of track changes and making their track longer as well it is just about ready to go and it has come up great. Great Work to Anthony Corby and his team of workers that have done the work so make sure when the entry forms come out for this series that you enter all three rounds and come along to Orange and Clarence and ride.

I hope anyone who has been out injured are on the mend and getting ready to come back in to the sport Don't forget to send in your doctor's clearance to MNSW so your name can be taken of the injury list

Don't forget working bee 6th February, 2010 from 10.00am and first race day 7th February, 2010 from 7.15am
Take care, stay safe and I will see you at Clarence when you come to ride.
Maree Kirby
