MOTOCROSS REPORT; Scott thanked members who attended working bee weekend.  
He said both racks ready for inspection. Maree said that it would be done this coming  
week. Scott said we would need more workers for 26.6.10 working bee to get ready for  
race day . Maree read out letter form MNSW saying that her submission to host a round  
of 2011 NSW STATE TITLES was successful and we would be the host of round 2  
which is usually held on June long weekend. So we have 12months to get complex  
looking its best. Scott thanked Maree for all her work on this.

ENDURO REPORT: Off road series going ok Garry came 2<sup>nd</sup> at Mogo. Maree told  
meeting that the enduro committee had come back to her and would like us to have a  
round of NSW sprints for senior only which at this stage would be on 31<sup>st</sup> July & 1<sup>st</sup>  
august,2011. Maree will have more details next week.

TRAIL BIKE RIDE REPORT.

After some talk Maree & Garry to get all their information and bring to next meeting and  
we will go over it then.

GENERAL BUSINESS; John asked Maree who hired track last She said Bulkham Hills  
John said that there were some equipment left out and bins not emptied... Maree had been  
told this by Scott so she had got onto the president and was getting it sorted out. Mark  
talked about toilet block and we will look at it on 26.6 10 as well as first aid room.  
Garry wants minutes & results e-mailed to him 7 days after events to put on website.  
Maree said that there was a team elected at AGM not just one person to do that job but  
she will send him a set.

Mark asked if we could get a couple of men trained to operate the machinery, so when Bob can't get there someone else could do the job. He didn't want someone else to do the maintenance as Bob does a great job more so when we are doing other jobs around complex. Just so Bob has 2 people to back him up. Maree said Wayne was going to arrange a day to do this as he has training officer in his business to do this.

High Country Series will be 3 rounds on race day if finished early we could do one extra round but it would not be scored.

John asked if he could buy some new hose fittings and pipes all agreed to this.

Scott thanked everyone for coming and said we need as many members at next working bee as possible.

Meeting closed at 9.10pm next meeting on 5<sup>th</sup> July, 2010
